**Subject:** Closure letter for MG06 57420

Dear Rotarians Kennedy Jr. and Capece,

Thank you for submitting the final report regarding Matching Grant #57420, to provide materials and equipment to construct a portable water delivery system for the villages of Purzobod, Buvak, and Luchob Tajikistan. Your cooperation in fulfilling this requirement is greatly appreciated. As all required information has been included, the Foundation will mark the file as closed.

Your efforts have been fruitful, and many individuals will benefit as a result of your generosity and hard work. The Rotary Foundation is pleased and proud to have been associated with this fine service project. We wish you success with your future endeavors.

Sincerely,

Jessica Rivas,  
Program Coordinator
